TAXES MAY BE PAID IN WHOLE OR IN 2 PARTS

TAX COLLECTOR JOHN FRY EXPLAINS THE METHOD.

Payments Must Be Made By November 30th, if Split, or January 31st if All at One Time.

Due to the fact many people of Randall County are unfamiliar with the details governing payment of taxes and have failed to understand clearly the information which has been set forth in regard to this matter in recent weeks, the following statement has been issued for publication by John Fry, county tax collector:

"In order to make clear the privilege granted under the new law, called Senate Bill No. 311, in paying 1931, or 'new' taxes, I am asking all taxpayers to study this information, so they will be able to avail themselves of the plan most suited to their needs.

"1931 taxes must be paid by either one of two methods. If the half-payment is adopted, then the first half of your property taves, must be paid not later than November 30. You may pay your poll tax before that date, but not later than January 31, 1932.

"The last half of the property tax can then be paid on any date before July 1, 1932. If this last half is not paid by June 30, 1932, then it becomes delinquent July 1, 1932, and a penalty of 10 per cent attaches and the tax draws 6 per cent interest until paid.

"If you do not wish to pay half or cannot pay half of your taxes by the end of November, then you may adopt the usual plan of paying not later than January 31, 1932. No penalty or interest will be added if paid by that date. February 1, 1932, all property taxes and poll taxes become delinquent and a penalty of 10 per cent attaches to each and the tax bears 6 per cent interest until paid.

"1930 taxes became delinquent October 16, 1931, and cannot be divided in halves. House Bill No. 80, which is now being considered by the Supreme Court, provides that a taxpayer may pay his taxes without penalty and without interest if paid any day between Oct. 16 and Jan. 31, 1932. However, it should be noted that the Attorney General has ruled that that particular part of the interest accrued from Feb. 1, 1931 until Oct. 15, 1931 must be paid. This is the matter the court is asked to decide.

"All who can manage to do so will save money by paying their 1930 taxes before the end of next January, as all interest and all penalties left off by the Bill are added February 1, 1932, and on the 1930 taxes from Oct. 16, 1931. until paid. The penalty here is 5 per cent of the tax and the interest is 6 per cent per annum.

"Automobile licenses for 1932 will probably be ready on December 1. Please note that a motor vehicle which has not been registered for 1931 cannot be registered in DECEMBER for 1932. It would either have to be registered for the month of December first before securing the 1932 tag, or wait until January 1 and then get the license.

Jameson Gives Good Report on Methodist Work Of The Year

Rev. C. E. Jameson left Tuesday for Vernon where the annual conference of the Northwest Texas Conference of the Methodist Church is starting today.

Rev. Jameson is taking a good report of the past year's work from the local church.

The Sunday School enrollment of last Sunday of 403 broke all records of the local church, according to Dr. F. M. Wilson, who has been an active worker in the Sunday School for about 25 years.

Appointments for the coming year will be read by the Bishop at the closing service Sunday evening. Rev. Jameson stated Sunday that he had no idea as to whether or not he would be returned for the coming year.

GRANDMA COWART DIES

News was received here yesterday morning that Grandma J. W. Cowart passed away at the home of her granddaughter Mrs. Burrel B. Liles at Corpus Christi, Wednesday morning at 4:30. Funeral services were held there Wednesday afternoon.

Grandma Cowart will be remembered by all the old-timers here, as she and Grandpa Cowart, who died here several years ago, were among the early settlers.

Succumbs

BONNER McCARTY

Bonner McCarty, W. T. Ex, Succumbs To Long Illness

Bonner McCarty, 23, W. T. ex-student of Canyon, died Friday night in Amarillo. Mr. McCarty had been in ill health for several years, and was forced to withdraw from school last year because of his ill health. He had been seriously ill for the past two months, and was removed last week to the hospital.

Funeral services were held in Canyon at 1:30 Saturday afternoon with Rev. C. E. Jameson and Rev. L. R. Hudson pastors of the Methodist and First Christian churches respectively in charge. A quartette composed of F. E. Savage, Clyde W. Warwick, Mrs. L. F. Sheffy, and Miss Pauline Brigham sang two selections. L. S. Baker, Pat Gerald, Ben Guill, George Heath, Carl Scott, Hardin Boyles, were pall bearers. The body was taken to Iowa Park for burial.

Surviving are his mother, four brothers, Houston McCarty of Nara Visa, New Mexico, Tom McCarty of Trinidad, Colorado, Gordon McCarty of Canyon, and William McCarty of Big Spring; five sisters, Nora and Minnie McCarty, Mrs. Bryan Cammack, and Mrs. W. A. Warren of Canyon, and Mrs. C. J. Menick of Burkburnett.

Mr. McCarty was prominent in school athletics having lettered twice in tennis. He was enrolled as as a senior at the time of his withdrawal from school.

Interment was held at the family burial ground at Iowa Park on Sunday afternoon at 2:00 o'clock.

City and County Officials to Talk Over Highway Job

A meeting between the County Commisioners Court and the City Comission wil be held at an early date in order to determine when it will be possible to continue the paving south on highway No. 9.

The county is ready to start its work, but the city does not have the money at the present time.

The situation is this: The state and county will pave the highway from Fourth avenue to the south limits of the city, but require that the right-of-way be widened, at the expense of the city, that a concrete curb be put in on either side of the 18 foot pavement, and that the space between the curb and pavement be gravelled. The state requires that this work be done from the Santa Fe underpass to the south limits of the city. The cost of the project will amount to practically $10,000. The city does not have the money for this work, and it would require a bond issue if the work must be done at the present time.

Mayor R. A. Bellah states that the city is willing to do all necessary work, but does not feel that now is the time to call a bond election. He has asked that the state and county start with the paving at the city limits, and leave the city's part for a future date. Judge S. B. Orton has work from the state highway engineer that the state demands that all of the city's work be done before the work is started outside the city, or at least that it all be done at the same time.

The meeting of the two commissions will try to work out some plan by which the work may start on the highways.

THOMPSON STORE READY FOR BUSINESS IN HAPPY

T. C. Thompson, president of the Thompson Hardware Company, states that the new store in Happy was opened for business last Saturday.

"The store is not complete by any means," stated Mr. Thompson, "but we decided to open the doors last week and take care of business as best we could until time for the formal opening, which will be in a couple of weeks." Mr. Thompson is placing a stock of hardware and furniture in Happy, and will have one of the best little stores in the Panhandle.

Mr. and Mrs. Hubert Ponds and son, of Borger visited in the S. F. Wiggins home Sunday.

AGRICULTURE IN COUNTY MAKES STEP FORWARD

REMARKABLE DEVELOPMENT NOTED IN ALL LINES.

Improved Methods in Farming and Better Breeds of Stock Noted During the Past Years.

Twenty-five years ago there was little farming in Randall county. Practically all the farming that was done was in connection with the cattle ranching for the purpose of raising horse feed.

About 1905 W. E. Bates raised and shipped the first car load of wheat from Canyon. He brought a steam powered threshing outfit from Denton, Texas. Prior to that time John Knight had grown a small acreage of wheat for pasture. A few small fields of wheat were cut for hay as there was no harvesting or threshing machinery in the country. At that time the land was valued at about $2.00 per acre. A little later the land agents began advertising and selling land for as much as four dollars per acre. This was thought to be too high but the land agents continued to advertise and sell. From such a beginning Randall county wheat growing increased until in 1931 we produced about three million bushels of number one hard winter wheat, much of which commands a premium on the market for high protein content. The sample of hard wheat winning the blue ribbon at leading fairs of the state this year was grown by Joe Tucek who lives just west of Canyon.

About 300,000 acres of Randall county soil is now in cultivation, yet the cattle population of the county has not decreased as might be expected. In fact the number of cattle in the county has increased in the past ten years something like 6,000 head. This increase is mostly dairy cattle. According to estimates available we have about the same number of cattle of all kinds as were on hand 25 years ago. However the quality of the beef cattle is far superior at this time to what it was then. Hereford cattle bred in Randall county are known far and wide for their performance in the feed lot and beef cattle shows. The winning fat steers at the Indiana State fair this season were bred and sold to the Indiana feeder by Clyde McElroy of Canyon.

Randall county is the home of some of the pioneer Hereford breeders of the Panhandle. Among those who are still breeding high class pure breds might be mentioned W. E. Bennett, Tom Dowlen and several others.

Just about 25 years ago the first car load of hogs was shipped from the county. Before that time some were shipped from Canyon that were brought in from the counties to the south. These hogs were for the most part about one year of age when shipped and weighed about 250 pounds. At this time we ship over 100 car loads of the finest hogs produced anywhere

Red Cross Roll Call Continues Until Nov. 26th

The local committee of the Red Cross met in the Federated Club rooms Monday afternoon of this week for the purpose of making plans for the annual roll call. Dr. D. M. Stewart, local chairman, presided; and Mrs. Myra Cloudman, field representative of American Red Cross addressed the group on the need of nursing service for Canyon.

As a result of the meeting, Mrs. W. H. Stroud and Rev. L. R. Hudson were elected co-chairmen of the drive that begins on November 11th and lasts until November 25th.

The objectives set for the coming year were a quota of $300 and a three months' nursing service for the county.

Mrs. Stroud is to have charge of the Roll Call in Canyon and Rev. Hudson will have charge of the Roll Call in the county.

Dr. Stewart reports that no sufficient money was raised last year in the Roll Call to put on the nurse work for the schools, and this money is now on hand. He hopes that the fund will be increased this year so that the nurse may be employed to work among the school children of the county during this school term.

LEGISLATOR VISITED THE COLLEGE TUESDAY P. M.

State Representative Frank Patterson of Fort Worth was here on Tuesday and make a visit to the College plant with Dr. J. A. Hill and Clyde W. Warwick. It was the first time that he has been on the Plains. He was highly pleased with W. T. and praised the plant of the institution.

Mr. Patterson was accompanied by Mrs. Patterson and Homer D. Wade, who was formerly manager of the West Texas Chamber of Commerce.

HEALTH CONDITIONS IN THE COUNTY EXCELLENT

Dr. D. M. Stewart, county health officer, states that there is less sickness in Randall county than there has been for a long while. He attributes the fact to the care people are taking of themselves and the fact that most everyone is living more simply.

The physicians have been teaching preventative medicine for a number of years, and this is having a good result in the health conditions, states Dr. Stewart.

ECKHARDT GOES TO BOSTON NEXT SEASON

Coach Eckhardt, former coach of the Buffalo football squad, will get his third chance in the major baseball league with Boston next season. He has been to Detroit twice. He was star with Amarillo in the Western league, with Beaumont in the Texas league, and in the Pacific coast league the past two years.

Mr. and Mrs. J. J. Walker and Mr. and Mrs. Burt Newlin attended the Federated club meeting in Lubbock Monday.

District President

MRS. J. A. HILL

Mrs. J. A. Hill will be installed as president of the Seventh District of the Texas Federation of Women's Clubs, at the state convention which will close in Lubbock today.

The Seventh District is composed of all territory on the Plains.

Mrs. Hill has been very active in the work of women's clubs for a number of years.

Announcement of various appointive officers will be made by Mrs. Hill within a few days.

Weekly Programs to Be Broadcast Over WDAG By Chamber

The Chamber of Commerce will begin a series of weekly radio programs from station WDAG Tuesday night, Nov. 17th at 9:00 o'clock. In this series of programs it is planned that civic enterprises and the resources of this community and county will be broadcast. The programs will be a half-hour in length and it is planned to make them interesting, educational and entertaining.

The first program on next Tuesday night will have as its theme the Palo Duro and will be under the direction of Fred E. Wortham, Chamber of Commerce secretary. After that the weekly presentation will be under the direction of a special committee for the purpose of arranging these programs. It is planned to use the song, "Alma Mater" as the signature song for all of the programs which are to be presented at the same hour each week for an indefinite period of time.

Mr. Wortham requests that all Canyon citizens, who have friends and relatives living at distance points to communicate with them and invite them to tune in on the Canyon programs. This will be the first time that a Chamber of Commerce in this section of the country has sponsored such a series of programs.

Miss Lela Bates of Claude, ex-student of W. T., spent Saturday with friends in the city.

STORY OF A MODERN OLIVER—WITH A NEW TWIST!

Armistice Day Celebration Yesterday Largest Ever Sponsored by Palo Duro Post-Large Crowd Here for the Day

Long, Interesting Parade Witnessed by Several Thousand People—High School Wins First Place On Float—Breakfast, Barbecue and Dance Are Features for Ex-Service Men.

Armistice Day was fittingly observed yesterday in Canyon by the largest celebration every held by the Palo Duro Post.

Nearly a hundred ex-service men started the day in celebration of this event in the gathering at the Legion Hall, where guns were fired in a sunrise salute. The Woman's Auxiliary served breakfast at 8:00 o'clock, which was followed by a sing-song of the old war time songs for thirty minutes.

At nine o'clock Captain H. O. Price started to organize the parade, which was one of the most effective, and was the largest ever put on by the post.

Headed by the College Band, the following were in the parade:

Civil War veterans.
Spanish American war and World war veterans.
The color Guard.
Company F.
City Officials.
City Fire department.
U. D. C. car.
Red Cross ambulance.
Elapheian Society float.
W. A. A. float.
Student Religious Council float.
Cousins Society.
Canyon public schools, represented by the entire student body, and two floats, the football team, pep squad and girl scouts.
American Legion Auxiliary float.
West Texas Gas Co. car.
Vetesk Market float.
Friendly Bible class float.
Canyon Grain Co. float.
Bellah's Food Store car.
Canyon Flower Shop car.
Olympic Theatre float.
Chamber of Commerce car.
Piggly Wiggly car.
Woman's Book Club car, containing the charter members, this being the 25th anniversary of the club.
Imperial Chevrolet car.
City Market car.
Methodist Junior church car.
Terry Beauty Salon car.

The cars and floats were extremely attractive and appropriate to the occasion. Judges awarded the following prizes for the most appropriate decorations: Canyon schools, 1st; Woman's Book Club, 2nd. W. A. A., 3rd.

Following the parade, the crowd gathered at the Doughboy on the court house lawn where appropriate exercises were held honoring the Armistice Day. Andy Walsh, Post commander, was chairman of the meeting. Following the salude of three guns, "Taps," and silent prayer for the dead of the World War, invocation was pronounced by Rev. W. C. Kunze.

Frank R. Phillips introduced the speaker for the occasion by outlining the aims of the American Legion as follows: 1. Peace. An army of leadership so that if war becomes necessary that it will not take so long to prepare as it did for the World War. 2. America not to concel the war debts of Europe. 3. Take the profits out of war. 4. Conscript munitions of war as well as wealth and men if there is another war. Mr. Phillips introduced Col. Mead F. Griffin of Plainview, who delivered the principle address.

Mr. Griffin highly praised the work of the Palo Duro Post as being one of the leaders in the Southwest. It was the first to erect its own club house, and is always the first to fill its membership quota, and is active in everything for the betternment of the ex-service men.

Col. Griffin discussed America's position in the world, and its object in entering the world war. He discussed conditions in other nations today, and the dangers that confront them, especially as regards the danger of war between Japan and China, and the dangers of communism.

He urged that Americanism be upheld not only by the ex-service men, but by all citizens.

A barbecue was held at 12:30 for the ex-service men and members of their families.

The Eagles-Claude football game was sponsored by the Palo Duro Post in the afternon.

The day's activities ended with an invitation dance at the club house at 9:00 o'clock last night.

The Canyon Eagles won over the Claude high school Mustangs yesterday afternoon, 26 to 6. The

Wortham Re-elected Secretary Chamber Commerce Saturday

At the regular meeting of the board of directors of the Chamber of Commerce, Friday night, which was the first regular meeting of the new board of directors elected on October 22, Fred E. Wortham was re-elected secretary of the organization. Levi Cole was re-elected as treasurer.

A report was given on the recent Chamber of Commerce Silver Anniversary Celebration. The receipts from the sale of tickets and the radio collection amounted to $351.45 with the expenses totaling $167.52, leaving a net profit to the Chamber of Commerce of over $183.

A committee was appointed by the president to work with the Amarillo Chamber of Commerce in making preparations to bring the visiting teachers at the Texas State Teachers Association to Canyon and the Palo Duro Park.

The offer of Radio Station W D A G to allow this chamber of commerce a half-hour of its time once each week, was accepted, and a committee is to be appointed by the president to work with the secretary in preparing the programs. It was decided that the Chamber of Commerce would contribute a car to the American Legion parade for November 11.

The next meeting of the Board of Directors will be on November 20.

Rotary Club Hears Armistice Message of Capt. Lockhart

Armistice Day was recognized in the weekly luncheon of the Rotary club Tuesday, with a song service of old wartime songs which were popular in 1917, and with the American forces overseas.

The program was in charge of the Club Service Committee, Oscar Gano, chairman. Captain W. E. Lockhart was introduced by Joe Hill as the speaker of the day, and discussed the meaning of Armistice Day from the viewpoint of the ex-service man. Capt. Lockhart called attention to the fact that when the Armistice was signed, it was thought that wars would cease as America entered the war with the purpose of waging a war to end war.

Capt. Lockhart discussed the measures which the ex-service men were sponsoring, and what congress and the states had done for the ex-soldiers. It is advocated that if another war becomes necessary to draft wealth and material as well as draft men. Texas has done nothing for the ex-service men, although many states have done many things. Congress has done about all that it could do, except to make provision for the veteran's family if he decomes disabled.

The speaker paid tribute to the casualties of the war, calling the greatest casualty the wrecked life of Woodrow Wilson when his ideals were rejected by the American people. In discussing the work of Wilson, the speaker stated that he was not popular with the officers, many of whom thought he was too slow in entering the war, and was willing to quit too soon. It is now conceeded that Wilson was right. He opposed the use of poison gas and the ruthless butchery of soldiers.

Visitors present Tuesday were: Mr. and Mrs. Arthur Osgood and Dr. B. E. Masters of Amarillo; Dan F. Sanders and Capt. W. E. Lockhart of Canyon.

MRS. H. H. HARVEY DIED AT WATSONVILLE, CALIF.

Mrs. H. H. Harvey died at Watsonville, Calif., Saturday following a serious operation. She will be remembered to many Canyon people as Miss Ruth Cobb, daughter of W. S. Cobb, who was a former resident of this city.

Mr. and Mrs. O. V. Mayben and children were in Lubbock Sunday visiting in the home of Mrs. Mayben's brother, A. L. Syfret.

LOCAL SCHOOL SITUATION

Every school district in the state is making a plea that taxes be paid in order that the schools may carry on. Various methods are being employed to keep the schools open. In many districts teachers are volunteering to reduce their salaries or make donations that the schools be not closed. Warrants are being issued in a large percent of the districts.

The News believes that teachers' salaries of from $90 to $125 per month for the nine months term should not be reduced. If the teachers were on a twelve months basis, there might be some justice for reducing these salaries at this time.

Every school board in the state is now wondering what is going to happen next year, and wondering how the expenses are going to be met.

Local school costs have mounted very much during the past few years, very largely through local pride. It takes 17 units of affiliated work for the graduate of a good high school to enter any college or university in the state. But instead of having only 17 units in the courses of study which are absolutely necessary, local pride has forced the schools to branch out until practically every high school in the state which does not offer at least thirty units is called a back number. Local tax payers shoulder the additional burden in teaching force and equipment to carry this added local pride. It is almost heresy to suggest in any school district that courses be dropped from the course of study and that the schools be brought down to essentials, but that is the only way we can see how the cost of running the local schools may be lowered. Bonds and interest on these bonds must be met regardless of what happens. The usual overhead of a school system remains about the same, teachers salaries are not too high, but there is no question that schoools have taken on a large burden of unnecessary courses which are taught in the colleges at a much less cost, and which could and should be shifted back to the colleges.

Senator Clint Small, potential candidate for Governor, was honest with the lawyers in Amarillo Saturday, in making the statement that he could see no hope for reduction of state taxes. As a matter of fact, as long as every profession and business in the state demands regulation, and the establishment of more boards and bureaus it is expected that state taxes will continue to rise. The Senator was talking with home folks and was honest about the real situation at Austin. It is usual for the candidate for Governor to stick out his chest and holler, "Elect me and taxes will be reduced." He is the same fellow, who after election, has plenty of ideas as to how to increase taxes, but never a one to reduce them. As a matter of fact, the cost of running the state government is not exhorbitant, although people do a lot of complaining regardless of the amount of their tax bill. Furthermore, the people expect efficient service from their government, and to secure it, they must pay the cost bill. Senator Small is trying to tell the people just what the facts are. Will they take him seriously?

The Newsman never so much in all his life wanted a machine gun to turn loose on a bunch of men as he did last summer when he looked into the wheat pit of the Chicago Board of Trade where the price of wheat is made by a bunch of high powered gamblers. The price was run down to below the cost of production for the farmers. Now that the wheat is largely out of the hands of the farmer, prices are rocketing, more than double those at the time the wheat was harvested. Of course a few farmers have been able to hold their wheat for this price, and it is fine for them. But a large per cent of the wheat growers were not in a position to do this, so they had to sell at a ridiculously low price. Is it necessary to have a bunch of gamblers in Chicago living off the products of the farm in order that there be a market value for these products in the world? That is a question which should be taken to the supreme court, and will be when Judge C. Gough of Amarillo gets all of his information together and finances the cost of the suit.

The 25th anniversary celebration of Canyon last week will long live in the memories of the citizens of Canyon as one of the most successful celebrations ever held in the city. A united citizenship sponsored the program and carried it out. Of course no one can arrange or execute a program and celebration of such proportions which will please all the people, and all phases of the twenty-five years' growth of the community could not possibly be recognized nor all of the citizens who have done so much for the city's history be mentioned in so short a space of time. But on the whole, every citizen in Canyon was delighted with the presentation of Canyon's growth and the wonderful feed and entertainment prepared for the occasion. It is to be hoped that many citizens present Tuesday night will be in Canyon on Nov. 3, 1957, when the Golden Jubilee celebration of the first election in Canyon is held.

Just what is the meaning of the fight between Al Smith and Franklin Roosevelt in New York seems to be a mystery, unless Smith is determined either to be the Democratic nominee for President, or to block the chances of Roosevelt. People were a little suspicious that the break between Roosevelt and Tammany was a stage setup, but the recent break between Smith and Roosevelt proves the reality of the enmity between the two men. It is reliably reported that Roosevelt is too dry for Smith and Tammany, and that they will therefore throw their strength against his nomination, regardless of whether or not the former governor may have a chance at the nomination. Tammany would rather see any other Democrat nominated than Roosevelt, if Smith cannot be named. There are hot times ahead in the Democratic camp.

Exes of W. T. and friends of the institution are carrying on an intensive campaign to elect Dr. J. A. Hill president of the Texas State Teachers Association. Every citizen who has friends in some other town can do a great deal of good by writing them now asking them to support Dr. Hill. His election would mean a great deal of honor to Dr. Hill, to the College and to Canyon.

John N. Garner of Texas will be the Speaker of the House of Representatives when Congress convenes next month unless something unforseen happens. The Democrats have a majority of three or four in the lower house of congress. This will impose a responsibility upon the Democratic party which may have a lot to do with the election of next year.

The world is watching with interest the development in the East. Indications are that nothing will stop a war between Japan and Russia, unless the former is largely given its way. Japan has overpopulated its territory, and must have more land. Russia has more land than any other nation, but the government is feeling chesty and indications have been for a long while that it would gladly match a scrap with some nation. Just what the results of a Japanese-Russian argument will be, no one can predict.

It is only a few days now until the Texas State Teachers Association will hold its annual meeting in Amarillo. Hundreds of them will visit Canyon during the convention. Every courtesy possible should be shown these teachers while they are with us. The town should be cleaned up in every way and put on its best appearence while the guests are here.

Sunny Hill News

Most of the farmers have finished sowing their wheat, have their feed stacked and are getting the odds and ends rounded up before Old Man Winter arrives.

Sunny Hill P. T. A. was made more interesting Friday night by having a song practice after the program. The program was under the supervision of Miss Jessie Ruth Lash and was enjoyed by all.

Mrs. J. T. Sykes and children were shopping in Amarillo Saturday.

The public is invited to attend district singing at Sunny Hill Sunday afternoon at 2:30. It is hoped that interest in singing may be reviewed throughout the country.

Mr. and Mrs. Joe Russell visited with relatives in Panhandle Saturday and Sunday.

Mr. and Mrs. Padgett and children and Mr. and Mrs. Stallings and little daughter were guests in the J. T. Sykes home Sunday.

Mrs. G. B. Herron and children of Amarillo visited Mr. and Mrs. Rex Roby Saturday night and Sunday.

Twenty eight people were at Sunday school Sunday. With a little more effort on our part, we should have a nice crowd and a lively Sunday school.

Mr. and Mrs. Rex Roby and Ernest Duncan attended the Armistice program at the Municipal Auditorium in Amarillo Sunday night.

Little Edith Neff who received a leg injury from a roll of barb wire about five weeks ago, has not been able to return to school. She is staying in town with her grandmother so she may have medical attention. We are anxious for her return to school.

The following were guests of Mr. and Mrs. Joe Currie Sunday: Mr. and Mrs. W. L. Avent and children of Canyon, Mr. and Mrs. J. A. Currie, Thomas Sexton, Mr. A. W. Currie and children, Mr. and Mrs. A. M. Currie and children, and Mr. and Mrs. I. H. Hollabaugh and children.

You have got to tell 'em if you want to sell 'em! ADVERTISE!!

"It is good of you to say those nice things," she replied.

...sparkling vitality and a clear skin

reflect rich, red blood cells

NATURE has its own way of making a strong body and a clear skin . . . by its use of the red-blood-cells.

So often the pressure of work and worry or some sickness "burn up" these precious red-blood-cells—then the hemoglobin percentage begins to fall and we wonder "what is the matter."

If this is your trouble, why not take steps to overcome it—remembering that a "tired feeling" may be a warning . . . so are pimples, boils and paleness.

For generations S.S.S. as a tonic has been helping people gain New Strength, better health and happiness. Its successful record of over 100 years in restoring strength and vitality to the blood surely warrants your giving it a good trial. Why not start taking S.S.S. today?—the larger size represents a price saving.

CAMELS are FRESH

in nature's own mild way!

EVERYONE knows now that Camels are the *fresh* cigarette.

If inquiry went deeper, it would reveal that Camels are the *natural* moisture cigarette.

That's important, because in handling fine tobaccos, when you process out natural moisture, you sacrifice freshness and flavor too.

Camel smokers needn't worry about that, because Camels are blended of fine Turkish and mild Domestic tobaccos that are never subjected to violent processing. They need no parching or toasting to make them smooth, palatable, cool.

That's why the Camel Humidor Pack is such a boon to Camel smokers—it preserves the *freshness*, flavor, natural moisture, fragrance that are in this fine cigarette to start with.

Camels are *fresh* in nature's own mild way, and if you want to see what that means in unalloyed smoke-enjoyment, switch to them for just one day—then leave them, if you can!

ARMISTICE BREAKFAST AT REST COTTAGE

Armistice Day furnished the motif for the delightful surprise breakfast given by Miss Patsy Van Dyke and Miss Ethel Bourland at Rest Cottage, 1904 Fourth Avenue, Sunday morning.

The affair, cleverly planned from beginning to end, was in honor of the residents and house guests of the cottage. Miniature bayonets marked each place while a vase of red and white chrysanthemums arranged with American flags, centered the table.

An appetizing breakfast of grape fruit, hot biscuits, bacon and eggs, strawberry preserves and chocolate and coffee was served.

Seated were: Miss Wertha Tartar, Miss Mary Chambers, Miss Grace Wiegman and her guests, Mrs. L. Hollingsworth and Miss Zella Mae Hollingsworth of Claude, and the hostesses.

MR. AND MRS. HAINES ENTERTAINED WITH BRIDGE

One of the loveliest affairs of the autumn season was given last Thursday evening when Mr. and Mrs. John Haines entertained with five tables of bridge at their country home two miles north of the city.

A profusion of white chrysanthemums arranged in harmonizing baskets formed an attractive setting for the games. Following the games a delicious two-course supper of chicken salad, potato flakes, spiced pickles, jello dessert with whipped cream and angelfood cake was served.

Seated were: Mr. and Mrs. Bailey McCormick, Mr. and Mrs. Albert Byars, Mr. and Mrs. J. E. Dickenson, Mr. and Mrs. Glenn Costley, Mr. and Mrs. Harley Burrus, Mr. and Mrs. Tom Lair, Mr. and Mrs. Frank Garrett, Mr. and Mrs. Jack Foster, Mr. and Mrs. Arthur Olson, and the host and hostess.

W. A. A. CO-ED DANCE IS A DELIGHTFUL AFFAIR

Witches and ghosts gave atmosphere to the W. A. A. co-ed dance held Monday evening, Nov. 2 in the gym of the Administration building. Pirates bold with daggers of keenest cardboard dangling at their sides, were the outstanding characters; pumpkins, overalls and pajamas furnished the variety in costumes.

After dancing, Hallowe'en crickets were distributed to the guests, and the noise began. The gym was decorated in Hallowe'en colors with jack-o-lanterns furnishing the light.

Pumpkin pie with whipped cream was served to sixty-five girls.

Durward Brown's orchestra furnished music for the dance.

MRS. GEORGE SMALL HOSTESS TO BLUEBONNETS

Entertaining the members of the Bluebonnet Club at her home, 1104 Seventh Avenue, Mrs. George Small was hostess to a number of guests Thursday afternoon.

The hours were pleasantly spent in sewing and chatting and at the tea hour refreshments of apple pie with whipped cream and coffee were served.

Those present were: Mrs. W. E. Miller, Mrs. F. E. Smith, Mrs. W. H. Upchurch, Mrs. Jay Prichard, Mrs. L. R. Hudson, Mrs. T. W. Ziegler, Mrs. M. E. Rhoades, Mrs. Susan Key, Mrs. Levi Cole, Mrs. N. T. Dickerson, and Mrs. Mack Elliott.

The next meeting of the club will be at the home of Mrs. Dickerson. Each member is requested to bring a recipe suitable for a Thanksgiving dinner.

MARIE STALCUP MARRIES ELGIN L. SHAW IN AKRON

Word was received recently of the marriage of Miss Marie Stalcup to Mr. Elgin Lowrance Shaw on Friday, October 23, at Akron, Ohio.

Mrs. Shaw received her degree here in 1929. She is remembered as being prominent in campus activities, being an influential worker in Y. W. C. A., and affiliated with the Elapheian Literary Society and Home Economics Club. She was also a singer of note.

Mr. and Mrs. Shaw will make their home in Akron, Ohio.

MRS. HILL SPEAKS TO AMARILLO CLUB

Selecting "Child Citizenship" as her subject Mrs. J. A. Hill addressed the members of the J. U. G. club of Amarillo Thursday afternoon when the club was entertained at the home of Mrs. James O. Guleke, 1605 Harrison Street, Amarillo.

Mrs. John T. Ward presided over the business session in the absence of the president, Mrs. C. M. Humphreys, after which Mrs. Guleke introduced Mrs. Hill, the speaker of the afternoon.

STUDENT RELIGIOUS COUNCIL ELECTS OFFICERS

The Students' Religious Council completed the election of its officers Friday, October 30. They are: Earl Davis, president; A. W. Colthorpe, vice-president; Margaret Darnall, secretary; Orlena Bandy, annual reporter; and Lorene Wherry, Prairie reporter. The faculty sponsor for the year is Miss Angie Debo.

Mrs. Sam M. Braswell of Clarendon is viisting at the Rev. J. H. Braswell home.

Mrs. G. T. Whaley was taken to Amarillo Monday for an operation.

STUDENT COUNCIL IS PREXY'S GUEST AT LUNCHEON

The Student Council members were guests of President Hill Monday, November 2, at a luncheon at the cafeteria. After regaling themselves with food the group turned to the more serious business of organizing and planning future work.

President Hill gave an interesting account of the first organization of the Student Council and the work which it has endeavored to accomplish. He outlined several possible projects which he thought possible for the Council to work out this year.

Officers for the year were elected. Otis Rawlins, senior representative, was elected president. Elmer Wooten was chosen for vice-president, Mary Berryman for secretary-treasurer, and Beth Blythe for Prairie reporter and annual representative.

The Council is planning to get into active work soon. The cafeteria has been designated as the meeting place each second and fourth monday of every month.

MRS. RAY V. DAVIS SPEAKS TO CLUB WOMEN

Mrs. Ray V. Davis was the principal speaker at the meeting of the Junior Woman's club Monday afternoon. The club is studying Texas and in her discussion, Mrs. Davis spoke of the Constitution of 1876, the present system of government and the political and economical problems that now confront Texas residents.

Those who attended were: Mrs. J. Madison Daugherty, Mrs. Hubert Hartman, Mrs. Felix Neff, Mrs. Ross Craig, Mrs. L. R. Hudson, Mrs. Lorenzo Wirt, Mrs. Carl Scott, Mrs. Ray V. Davis, Mrs. Harry Wood, Mrs. Forrest Ferrell, Mrs. M. L. Saddoris, Mrs. Claude Moore, Mrs. A. K. Goodman, Mrs. J. A. Edwards, Jr., Mrs. Mitchell Jones, and Mrs. Levi Cole. The Lubbock Chamber of Commerce was host at a lovely dinner served to the Board on Friday night, and again at a lunch eon Saturday at noon at Hotel Lubbock. The musical clubs of Lubbock entertained Saturday afternoon with a Fine Arts program reception and tea at the Hilton Hotel.

Both Mrs. Graham and Miss Swisher were re-elected to their respective offices.

J. H. Stephenson of Happy was a business caller in the city Tuesday. He states that with the increase in farm products prices that business is getting better in Happy.

News in Canyon 25 Years Ago

(From the files of the Canyon City News, November 9, 1906.)

Leslie Robeson and family of Hansford County are here visiting Mr. Robeson's parents, Mr. and Mrs. T. F. Robeson.

Last week Mrs. W. T. Moreland received as a present from her uncle, J. S. Boone, who resides at Agency, Mo., two barrels of apples. The News force through the kindness of Mrs. Moreland sampled them and found them far superior in taste to any apples coming their way this year.

A "Woman's Book Club"

Everything Has Been Attended To

Where you use Natural Gas for a fuel, and your stove or furnace is connected, you will find all your requirements whether for heating or for kitchen range have been attended to, far in advance of your need. This is a species of preparedness, that we would like you to consider.

Your use of gas may probably be trifling, during the warmer months, but all the resources of a great company, to give you 100 per cent service, 365 days in the year, are maintained in full efficiency in order that you may be fully protected throughout the winter. We like you to know this; we like to tell you, otherwise you might not know of it.

ARMISTICE

We pause today upon the threshold of this solemn occasion to bow down our heads before the tomb of him who typifies the thousands who have suffered that the world may live again in peace.

It must not be said that we have forgotten the blood they have shed, nor that we are wanting in appreciation of the ideals for which they fought.

It behooves this Nation to love and cherish through the long, dim years of the future the memory of those who suffered their young lives to be extinguished in the cause of world democracy and lasting peace.

We hope that God may give to the nations of the earth the vision to see, and the will to execute for all time—a glorious lasting PEACE.

CANYON LADIES TAKE PART IN D. A. R. PROGRAM

Many Canyon ladies were present and took part in the program at the meeting of the Esther McCrory Chapter of the D. A. R. which met Monday afternoon at the home of Mrs. Chas. A. Fisk, 2200 Harrison Street, Amarillo, with the first vice-regent, Mrs. H. C. Randolph, presiding.

Miss Florence McMurtry was leader and discussed Armistice Day from the standpoint of the Home and the School. "The responsibility of those two fundamental institutions in working out a solution of the problem of National Defense is one that must be met by mothers and teachers of the country," she said in part.

Just prior to Miss McMurtry's address, a group of four individual pantomimes was given by young people of Canyon. Charles Edward Donnell impersonated a tramp asking a "hand-out" at the back door; Miss Wilmoth Gamble cleverly depicted a young lady getting ready for a date; Alvord Swafford presented an amusing picture of a doting papa putting his first-born to sleep, and Miss Lorene Robbins gave a realistic bit of acting which terminated in a lover's tragedy.

Mrs. C. O. Huber gave a beautiful vocal number, "Bird of Love Divine," by Hyden Wood, with Miss Lois Baber at the piano, and at the conclusion of Miss McMurtry's talk ,Mrs. Huber sang "Mothers of Men."

Mrs. Geraldine Green, Dean of Women at W. T. S. T. C., invited the membership to hear Mrs. Sturtivant, Dean of Women at Columbia University who will be in attendance at the meeting of the State Teachers Association in Amarillo, and will speak at Canyon on the Wednesday before Thanksgiving. Mrs. Green also called attention to the fact that the well-loved President J. A. Hill, of W. T. S. T. College, is a candidate for the office of president of the State Association.

Delicious refreshments were served at the tea hour by the hostesses.

MISS WILLA WALLING IS BRIDE OF ELBERT GEE

News comes to us this week of the marriage of Miss Willa Wanda Walling of Flomot and Mr. Elbert (Daddy) Gee of Nacogdoches, former students of W. T.

Mrs. Gee is the daughter of Mrs. E. M. Walling of Flomot. She attended the W. T. training school in 1929, and is well known to the student body and the townspeople.

The groom attended W. T. S. T. C. two years and took a prominent part in the athletics of the school. He is at present associated with Ike's Cafe in Hereford.

The couple will be at home to their friends on Roosevelt Street in Hereford.

BAPTIST W. M. U. TO HOLD BAZAAR

The Woman's Missionary Union of the First Baptist Church will hold a bazaar at the City Market, Saturday, December 5.

Mrs. Louis Hollingsworth and Miss Zella Mae Hollingsworth spent the week end with the former's sister, Miss Grace Wiegman at Rest Cottage.

NANALIE NEAL AND BUS HENSON ARE WED

A wedding of unusual interest took place recently when Miss Nanalie Neal of Canyon and Mr. Alfred (Bus) Henson of Hereford were married Monday, Nov. 2, at Roswell, New Mexico. The couple were attended by Mr. and Mrs. Elbert Gee of Hereford.

The bride is the daughter of Mr. and Mrs. W. H. Neal who reside nine miles west of the city. She graduated from Canyon High school with the class of 1929 and later attended business college in Oklahoma City.

The groom is the son of Mr. and Mrs. M. A. Henson of Hereford, formerly of Canyon. He, also, is a graduate of Canyon High school and attended W. T. S. T. C. in 1929. He is now associated with his father in the Club cafe at Hereford.

Mr. and Mrs. Henson will make their home on Roosevelt Street, Hereford.

LOVELY PARTY AT KERR HOUSE MONDAY

Miss Anna I. Hibbets, Miss Darthula Walker and Mrs. Laura Saunders entertained with a prettily appointed party at the Kerr House, 2703 Fourth Avenue, Monday afternoon.

Baskets of chrysanthemums added color to the rooms where tables were placed for bridge. Following the games, a refreshment course of chicken salad, split potato biscuits, olives and coffee was served.

The list of invited guests included the following: Mrs. C. H. Jarrett, Mrs. N. E. McIntire, Mrs. Andy Walsh, Mrs. William Ash, Mrs. Chas. Flesher, Mrs. Clyde McElroy, Mrs. T. C. Thompson, Mrs. S. L. Ingham, Mrs. C. N. Dowlen, Mrs. C. L. Thompson, Mrs. C. R. Burrow, Mrs. J. W. Kleinschmidt, Mrs. C. N. Dowlen, Mrs. Clyde W. Warwick, Mrs. Ray Campbell, Mrs. Burt Newlin, Mrs. J. W. Green, Mrs. Dan Sanders and Mrs. T. H. Knighton.

CIRCLE TWO MEETS AT CHURCH TUESDAY

Circle Two of the Baptist W. M. U. met at the church in a regular Bible study meeting Tuesday afternoon with nine ladies present. The lesson for the day was on Exodus 21 to 5.

The circle will be entertained next Tuesday afternoon at 2:30 and every woman east of 16th Street is invited to come and hear Bro. Fronabarger.

ANNUAL HOMECOMING IS BIG SUCCESS; SPECIAL PROGRAM FEATURES FETE HELD SATURDAY

CHAPEL, LUNCHEON, FOOTBALL GAME, TEA HELD IN HONOR OF EXES.

Humming with the vivacity of hundreds of ex-students from all parts of the Panhandle and New Mexico, the campus was colorful Saturday with the activities of the annual homecoming.

The program of the day opened at eleven o'clock with a special chapel planned in honor of the returning exes. Dr. J. A. Hill welcomed the home comers, following which Rev. Ira F. Kees of the Polk Street Methodist Church of Amarillo, addressed the assembly, choosing as the subject of his address "How to Meet Issues That Are in Front of Us." The key words of his discussion were think, feel, act. Think things through to the right conclusions. Feel; control emotional energy and make it do work. Act; of what use are knowledge and ability if we do not act? Rev. Key remarked in conclusion, "I'd rather live today than any other day in the history of the world."

The winning of the football game by the Buffaloes from the New Mexico Military Institute Cadets was the feature of the afternoon. Following it a program tea was given by Canyon ex-students for out-of-town visitors.

Pageant Given

A short pageant was presented, "A Hill-y Road, or How Presidents are Made," portraying the life of President Hill from infancy to the present time. Mrs. Irby Carruth read of various periods in his life, groups impersonated him at the various stages. He was shown in the arms of his negro mammy, Nancy Graham, in the first scene. His early school days were portrayed by Leroy Wooten with Don Savage, Florence Root, and Ruth Baker playing the parts of three of his ten brothers and sisters. Elvin Ridling showed the president as he was during grammar school days, and Chester Rollins impersonated him as he was as a debater in high school days. Thirza Bourland played the part of his sweetheart, Ola Davis and the present Mrs. Hill. Quintin Ward was president Hill as a collegian in the University of Texas. Following this scene came that of his marriage, with Thirza Bourland and Quintin Ward playing the parts of the bride and groom. Following his marriage came a scene from his first teaching days in which O. G. Hill played the part of his first pupil and Marion Hill the part of the President's mother The climax came in the fourth scene, one of the present day, in which the class of '29 unveiled the portrait of President Hill.

Mrs. Montfort in Charge

Mrs. Tommie Montfort was in charge of the arrangements for the tea. President Hill and Mrs. Hill, Mrs. T. V. Reeves, Miss Agnes Charlton, Mr. and Mrs. Irby Carruth, and Miss Hazel Allen were in the receiving line. The room was decorated in white crysanthemums and red candles. Mattie Swayne was in charge of the decorations.

Following the program the guests were served sandwiches cut in shapes of W. T. with maroon mints as periods, and tea. Refreshments and serving were in charge of Mrs. Winfred Miller, Josephine Duflot, Mrs. Carl Scott, Mrs. T. H. McDonald, Marguerite Dickenson, Mrs. Mack Gillham, Mrs. J. B. Fowler, Mrs. Boling, Mrs. Hubert Hartman, Mrs. Pete Harter, Mrs. Felix Pierce, Lurline Bowman, and Jessie DeGraffenried. Senator and Mrs. Clint Small and Mr. and Mrs. Clyde W. Warwick were special guests of the evening.

A luncheon at noon in the college cafeteria was the means of gathering the visitors. The luncheon was under the direction of Miss Ruth Lowes, Mr. Jones, Miss Mattie Swayne, and Miss Ada V. Clark. Thirty-five or forty exes ate together. The program, a very informal one was under the direction of Mrs. Tommie Montfort. Informal talks were made by Willard Vinyard, other visiting exes, and members of the faculty.

The office of L. N. George was fitted as a reception room where the large number of exes registered.

Some Fur Hints for Approaching Winter

IF ECONOMY DICTATES USING LAST YEAR'S COAT, ITS APPEARANCE MAY BE CHARMINGLY CHANGED BY SIMPLE ALTERATIONS

Flaring raglan sleeves, a sports collar and a wide suede belt feature the summer ermine coat at left. At center, a leopard coat for town or sports is distinguished by the new full-flared skirt. The princess-cut sealskin coat at right is stunning with modified cushion collar and cuff trim of mink.

BY HARRIET

WITH November upon us, fur coat days are around the corner. If you have a fur coat packed away, there are various ways you can change its appearance without altering it in the least.

In the first place, you can belt it, which probably will change it most of all.

Then, of course, you can have it cut off to make a three-quarters coat or have different collar and cuffs added, if they are worn out. And last, but not least, you can always use a fur coat during its last year as a jaunty little hipline jacket, with a spongy wool skirt or frock the same color.

Certain furs are youthful from the very word go. This year there are new leopard coats that are perfectly stunning. One of these is made with sports cut to its collar, plain sleeves and then a flaring skirt portion that is exactly as full and comfortable as any full-gored skirt you might own.

A summer ermine coat that is tremendously effective is made with the new tiny-cuffed sleeves that are cut in one with the body of the coat and flare in enchanting manner from the elbow down.

For older women or for the dignified young matron, the Hudson seal coat is the coat supreme. One of this type is trimmed with mink. It fits through the shoulders beautifully and through the body, following the figure closely until the hipline. There it flares in becoming manner and is quite full through the hemline.

It has no belt but fastens in slightly double-breasted manner with fur buttons. The collar of mink is one of the new modified cushion collars.

There is another mink touch on this coat in the form of a band of this decorative fur around the top of the cuff.

BUFFALOES TRAMPLE N. M. M. I. CADETS TO WIN HOMECOMING GAME BY NARROW MARGIN OF 7-0

FORTENBERRY SNAGS PASS TO BRING IN LONE COUNTER; GAME IS SLOW.

In slowest football game played in Canyon this season, the West Texas Buffaloes sent the New Mexico Military Institute on their journey with a short end of a 7 to 0 score before a small crowd of home-coming Canyon students. The hot weather or something slowed the game up, and except for the play that brought the Buffs' score, the contest was almost void of thrills.

The only score of the game came in the second quarter, while the Buffaloes were on the Cadet's 35 yard line, when Clark, passed to Fortenberry, who carried the ball over the goal line by dragging a soldier backfield man 10 feet. On the preceeding play Fortenberry had just caught a 22-yard pass.

The Buffaloes lumbered through the Cadet line in midfield with disgusting ease, but their advances were always halted when nearing scoring position. But when two completed passes the Buffs scored. "Red" McInnis drop kicked a perfect field goal for the extra point, after failing to do so for the three points from scrimmage.

Cadets Threaten

The Military boys threatened to score five times. They were able to get within five yards of goal, but the Buffs forced them back. The closest time of scoring was a pass from Dinellie, soldier full back, to Smith, H. B. over the goal line, but the ball slipped between his fingers.

The fourth quarter was a passing duel with each side gaining a little, losing a little and having several heaves incompleted. The Cadets got to the Buffs' 20 yard line in the game, a penalty gave them a first down on that line. Three line plays got six yards and then a pass put the soldiers on the Canyon nine-yard stripe. After drawing a 15 yard on the fourth play, as a pass was sailing through the air toward no one the gun sounded.

Coach "Sad" Sam Burton used practically all of his backfield men in the game. Different men were sent in at each quarter.

Clark for the Buffs made several good gains, but Fortenberry was the hero of the game. Devin at guard and playing his last year was a good offensive man and refused to let anyone through his side on the line on defense. Cooper was also playing his last struggle against the Soldiers.

The famous Dinelli of Roswell failed to star against the Buffs. Roswell, however, out punted the Buffs considerably.

Article By Wiley Appears in Outlook

Miss Margaret Wiley of the English Department is the author of a sort of prose poem entitled "Local Color from the Panhandle" which appeared in the November issue of the "Texas Outlook."

This article is a fantastic bit of description of some of the delightful details of the Panhandle landscape, and its value may be appreciated by reading it. The article as it appeared in the "Outlook" appears elsewhere in this issue.

Miss Wiley's prose poem is wholly in keeping with the spirit of this month's issue of the "Outlook,' which is devoted largely to information concerning the Texas State Teachers Association convention, to be held in Amarillo Thanksgiving week, in that it describes the wonders of and should lure more delegates to the Panhandle. Among the things, the complete program for the convention is given in this issue, and there appears the formal announcement of the candidates for the presidency of the association for the coming year. The candidates are Dr. J. A. Hill, president of West Texas State Teachers College; Dr. A. W. Evans, head of the Department of Education, Texas Technological College; and W. D. Weeks, superintendent of schools at Van Horn, Texas.

Graduate Students May Now Minor in Government Work

Government, as a result of the interest shown by students in the principles of legislation and their application, has been added to the list of subjects in which a student taking graduate work may minor.

No field of present day activity is more attractive than applied government. The instructors keep this in mind in the selection of their material.

In order to make the study of government more practical, the department is affiliated with the Foreign Relations club of America. This club, which holds its meetings every two weeks, brings valuable collections of books without cost to the college. The department has also established relations with the largest statistical organization of the world, the Babson Institute. This latter organization brings a service valued at $100 without the aid on the part of the institution.

S. H. Condron, head of the department, in keeping with this idea of applied governmental principles, is a member of the Southwest Political and Social Science Association. Last year he appeared on the program of this association in Oklahoma City, and he has been asked to prepare a paper for this year's meeting.

Material for the classes is abundant. The department is placing in the library a carefully selected list of books covering the most important fields of applied science bearing specifically on the courses offered. Municipal government, state and county government, political parties, and international relations are the chief topics dealt with by these books. Supplementary material, such as charters and original documents, is coming in every day from city managers, state health boards, national and state parks, secretaries of state, and from the Supervisor of Public Documents in Washington. Only this week material of great importance was contributed when the Geneva Research Information Committee, Geneva, Switzerland, through the Carnegie Endowment for International Peace, placed the government department on its mailing list to receive copies of the proceedings of the League of Nations.

Most valuable of the help given the department comes from U. S. Government publications and from certain thoughtful individuals. C. W. Warwick of Canyon and J. O. Guleke of Amarillo have rendered splendid service during the last few years to assist the department in every way.

A number of students are now minoring in government. Every member of advanced classes works up during the term a paper of some political problem. The special problem for this year is the Federal and State Tax Systems. Material for this problem, consisting of a complete outline of the tax systems of America and foreign countries, has been secured from the New York State Tax Commission.

Primarily, the purpose of these government courses is to train the teachers to carry out the great objectives of citizenship training. The department hopes in the second place to create public sentiment for good government and to carry out the national ideal of efficient self government.

W. T. Has Radio Artists of Own, Survey Reveals

W. T. students may hesitate long enough at night from their diligent pursuit of knowledge to listen to a fellow-student's voice coming to them over the radio. It is not without pride that W. T. points to her radio artists.

Bob Clark of Turkey takes time out from football to croon blues and popular songs to the tune of his old guitar. He broadcasted regularly last year over KGRS in Amarillo, and he was then a partner of the famous "Doc 'n Bob" combination of which Alvis Yarbrough, then also a student of W. T., was the other half.

Coy Palmer, a sophomore of Alanreed, is another student who got a good start in radio broadcasting last year, and he is on the air quite often this year. He sings popular songs to his own accompaniment on the piano.

Frances and Florence Snodgrass of Amarillo sing in a quartet with Doris and Monta Maye Shaw over KGRS. Last year they, with Doris Shaw, were known as the Sterling Trio.

Mr. and Mrs. C. O. Huber of Canyon sing sacred and classical songs over both KGRS and WDAG in Amarillo. Mrs. Huber accomanies on the piano. While in Albuquerque, N. M., they sang over KKGM and over BWAT while in Fort Worth Seminary.

Buffs to Play Sul Ross Saturday; No More Home Games

The West Texas Buffaloes played their last home football game Saturday afternoon when they defeated the New Mexico Military Institute 7-0. This week end the Buffaloes make the long journey to Alpine, where they will meet the Sul Ross Teachers in the third conference game this season.

Although doped to get beat by 40 points the Buffaloes have not withdrawn the vow that was made after their return from Abilene two weeks ago to win the last three games of the 1931 season.

So far this season Sul Ross has not been defeated by any of the Western section schools of the T. I. A. A. They turned the Daniel Baker Hill Billies back with a one sided score, after Daniel Baker had beaten the Buffaloes 41 to 19.

This game will be the hardest undertaken by Coach "Sad" Sam Burton and his Thundering Herd for this season. This is a year that Sul Ross has put out a winning team and so far have been on a steady march.

Fifty- Five Names of Exes on Roll; Many Fail to Sign

Some fifty-five ex-students registered at the ex-students booth in the Administration building Saturday. It is thought that perhaps half of the homecoming exes failed to register, for many were seen on the campus whose names do not appear on the register.

The names on the register are as follows:

Ernest Cabe and Mr. and Mrs. J. H. Spear, from Morse; E. W. Lewis, Clovis, N. M.; Madge and Agnes Childre, Ft. Sumner, N. M.; Mr. and rMs. Waldemer Wallace and Miss Velma Linn, Endee, N. M.; Miss Dora Jones, Los Angeles; Red Terrill, Farwell; Nora Ellen Elliott, Dumas; Lucy Rankin, Mobeetie; Bessie B. Perkins, Dalhart; Louise Walker Brown, Channing; Mildred Beach, Shamrock; Ines Lacewell, Plainview; Annie Bell Cox, Happy; Mary Sue Sears, Panhandle; Mr. and Mrs. Ishmael Hill, Claude; Virginia Webster, Maymie Daniel and Gladys Daniel, Plainview; June Kollaer, Tulia; Willie Mae Calleham, Conway; Zell Rodgers, Clarendon; Neville Wrenn, Hereford; Bessie Mae Patterson, Hereford; Edna Daughetee, Hereford; Ruth McGowan, Vega; Ruth Watson, Kirkland; Dorothy Kesler, Skellytonwn; Laura Wade, Pierce; Frank Tate, Tulia; Belva Cain, Claude; Mrs. Grace P. MORE ABOUT OUR LOCAL GAS SITUATION

The petition, as referred to before, has nearly 600 signatures, and will be presented to our city commission within the next few days.

For the information of Canyon patrons, the following letter is presented as exhibit "A"

Committee—S. G. Moore, J. I. Ballengee, H. W. Cabe.

RAILROAD COMMISSION OF TEXAS
Austin, Nov. 7, 1931.

Mr. J. I. Ballengee,
Canyon, Texas

In reply to your letter of Nov. 4th, we are sending you a copy of an opinion by the Attorney General touching the question of suspension of rates in case of appeal.

There is nothing in any holding of the Commission that attempts to preclude any town at any town from seeking any investigation into its gas rates, or that attempts to prevent the city commission from passing any rate ordinance at any time.

If the Canyon City Commission should fix a rate to be charged for gas and the company should appeal to the Railroad Commission an order would be entered suspending the rate until a hearing could be held and the company would be required to make a bond for the reimbursement of patrons for the difference between the rate charged and the rate finally determined to be a fair rate. The patrons would get the benefit in the way of a refund of this difference, with this exception—if the city gate rate was lowered, we will say five cents per thousand, and the consumer's rate was lowered a like amount, you can readily see the profits of the distribution company would be the same under the lower rate that it would be under the higher rate and the rebate would probably be affected only from the effective date of the lowered city gate rate. On the other hand, if the city gate rate was lowered five cents and the consumer's rate was lowered seven and one-half cents then the consumer would be entitled to a rebate of two and one-half cents per thousand for the effective date of the suspended ordinance.

In the case of Wichita Falls, Denton and all other towns except Eastland, the above procedure and the procedure set out in the opinion of the Attorney General was followed.

Madrigal Library Gives New Impetus to Madrigal Club

The College Madrigal Club is not a new organization in the institution, having been organized in the summer of 1919, but it has received new impetus from the recent donation of the library of the Chicago Madrigal Club to the college. This library is beyond doubt the most complete collection of madrigal compositions in America.

The club, as it is now constituted, has twenty-seven members, with Wallace R. Clark, head of the music department as conductor. The sopranos are Ada Clark, Frances Snodgrass, Estelline Harris, Marie Bryan, Mrs. Wallace R. Clark, Mrs. Lester Sheffy, and Mrs. Clarence Huber; the altos are Pauline Brigham, Thelma Brummett, Josephine Duflot, Bertha Paltenghe, Freda Oberst, Florence Snodgrass, Lila Dean, and Novella Goodman; the tenors are Dr. F. M. Darnall F. E. Savage, Lester Sheffy, J. L. Buck, Aubrey Wimberley, Coy Palmar, and Jordan Miller; and the basses are C. E. Strain, Herschel Coffee, Dan K. Usery, Noel Gollehon, and Rev. Hudson.

There are places in the club for two or three more men's voices. These will be filled immediately, and the membership will be kept at about thirty voices for the present. Any singers interested in membership in the club will see Mr. Clark for tryouts.

The club meets Tuesday evenings of each week at 7:15 in room 101 of the Administration building. Rehearsals are confined to the singing of pure madrigals and part songs acapella, that is without instrumental accompaniment. The club will be heard in concert in the near future.

BISHOP SEAMAN TO PREACH IN CANYON

Next Sunday, Nov. 15, Rt. Rev. C. E. Seaman, of Amarillo, Bishop of the Missionary District of North Texas, will spend the day in Canyon. At eleven o'clock a. m., he will celebrate the Holy Communion and preach on the subject of "The Lord's Supper—A Holy Communion," at the Canyon Episcopal Church.

The same evening, at eight o'clock, he will conduct the service and preach again, his subject being "The Call of Christ."

Everyone is cordially invited to attend both services, and to meet the Bishop and Mrs. Seaman after the evening service, at the Little House of Fellowship, for an hour of Christian association. College young people are especially invited to hear the evening sermon, and to help with the singing.

CONGRESSMAN JONES HERE.

Marvin Jones, congressman from this district, was in the city on Tuesday for a short time, visiting with friends. He was returning from Lubbock where he addressed the state convention of the Federation of Women's Clubs.

Mr. Jones will leave for Washington Saturday. He expects to see Congressman John Garner of Texas elected the next speaker. He believes that needed legislation will be passed with the Democratic party again in control of Congress.

Interesting Talk Is Feature of Week's Chapels

G. W. Cox talked to the Canyon High students Thursday, Nov. 5, on the subject of "Wild Game Life."

He discussed the habits and peculiarities of the deer, bear, and many other curious animals. The fact that the deer sheds his antlers yearly was a surprise to most of the students. He said he knew that the number of points of a deer's horn are not an indication of its age. For example, from his own farm, he has acquired the horns of a two-year-old buck which has four distinct points.

In conclusion Mr. Cox stated that his interest in the wild life of the Eagle was so great that he sincerely hoped that the flock which had been circling over Canyon would go to Hereford and feast upon the group of White Faces which now run too wild in that part of the Panhandle.

HOME ECONOMICS CLUB

The Home Economics Club is carrying out a very interesting program at each meeting in individual projects. Each member of the club is making some article that will serve as a Christmas gift or for personal use.

Such articles as floor pillows, foot stools, dresser scarfs, and other embroidered work have been finished and others are being made. Several wall hangers with designs of baskets of flowers on them have also been made.

All the club members are interested in these projects and some very pretty as well as serviceable articles are being made.

The man who receives his just rewards here below generally does a lot of complaining about it.

Hereford Eleven Puts Canyon Out Of Grid Race

The Hereford Whitefaces took the Canyon Eagles out of the district race when they defeated the Canyonites on the Hereford field by the score of 7 to 0.

The first half of the game was very tight, the first downs being Hereford 3, Canyon 2. Both teams' lines held tight, forcing kicks. Pearson, the Eagle punter, decisively outkicked Stone, from Hereford.

During the second half the Eagles allowed the Whiteface backfield to smash their line, and the final scoring was done by Russell in a fast center rush good for eight yards.

Hereford won the toss and chose to defend the south goal. Habermacher of Hereford kicked off to Wooten on his 10-yard line and he returned to the 25. Three center plays netted 8 yards and a penalty against Hereford made it first down. Line plunges failed. Pearson kicked 26-yards to the Hereford line where it was downed by Wright, Canyon end.

Hebermacher cut loose around left end and made twelve yards. Several line plunges netted another first down. But on the next four plays the Eagles held. Stone kicked out on the Eagles' 34-yard line, a punt good for only nine yards.

The Hereford line held and Pearson kicked 11 yards to the White face 42 yard line where Wright again downed the ball.

In the next series Wright took Russell for two losses amounting to 5 yards. Stone kicked 36 yards to Wooten on his 25 and he was downed on his 28.

Canyon made 6 yards by Harden and Tucker, but they lost it in a 5 yard penalty. Pearson kicked out on Hereford's 47 yard line.

Russell made two thrpugh center as the quarter ended. Collins lost the 2 that Russell gained. Canyon was penalized 15 yards. Holland fumbled and J. Cox of Canyon recovered on his own 40 yard line.

The Whiteface line was tight and Pearson kicked 34 yards to the Hereford twenty and Russell was downed in his tracks. Hereford took a five yard penalty and Stone kicked 10 yards to his 28 yard line. The Eagles threatened to score but Russell intercepted a pass and ran to his 31 yard line.

The Eagles were sore and the Cows couldn't find a hole the size of a football, so Stone kicked 24 to the Canyon 44 yard line.

A pass, Pearson to Tucker netted 18 yards, but the second play after that Russell intercepted a pass on his own 18. Stone kicked 29 yards to Wooten who returned 13 yards to his own 37. In this series Canyon tried three passes, two were incomplete and Canyon took the penalty, the other was good for twelve yards, from Pearson to J. Cox.

The ball went over and Russell fumbled on his 28 where Wright recovered.

Coach Brady ran in Thomas for Wright, Bell for Miller, and Wiggins for Cox. Russell intercepted a pass and ran to his 21 yard line. Stone kicked 31 to Tucker on his 44 yard line, as the half ended.

Wooten kicked off to Russell on his 20 yard line and he returned the pigskin to the 32. A pass, Russell to Climer made three yards. Stone kicked 22 to Canyon's 46. Tucker fumbled and Hereford recovered on Canyon's 37. Stone made exactly nothing on his kick. Pearson passed to Cox for a 13-yard gain. Wilson intercepted a pass and ran to Canyon's 41 yard line.

Two passes and line plunges featuring Habermacher put the ball on Canyon's 18 yard line. In two downs Russell made 11 yards. The Eagles set Hereford back in the next two downs but Russell went straight through center for eight and fell over the goal line. Habermacher made the point.

Brasuel of Canyon took the kick off on his 35. Pearson. Pearson made a wonderful punt of 56 yards and out on Hereford's 9 yard line.

Nov. 6—Hereford at Hereford

Habermacher made 22 around left end as the third quarter ended. Stone kicked to the 41.

The Whitefaces held and the ball went over. Stone kicked 25 yards to the Canyon 31. Pearson kicked 30 to the Hereford 30 yard line but Collins returned the ball 23 yards to the Canyon 47. A pass, Stone to Russell offset a 15 yard penalty. Two penalties amounting to 20 yards and a tackle behind the line for a five yard loss made it fourth down and 30 yards to go. Stone kicked 13 and out on Canyon's 37. Pearson kicked to Hereford's 35 and Russell brought it back to the 44. A pass, Stone to Russell made a first down. Stone kicked 20 yards to the 50. Just as the gun went off Russell intercepted another pass but he was downed in his tracks.

Stone of Hereford kicked 11 times with an average of 20.4 yards per kick. Pearson kicked 7 times with an average of 30 yards.

Purple Peppers Give the Eagles Good Support

Pep at Hereford! Whew! If the Purple Peps ever had pep it was at Hereford last Friday. Down to the last minute of the Hereford game the Pep Squad was talking to the Eagle Birds.

Rosa and Celestine, the two tireless leaders of our Purple Backers, saw that the pep squad did its work in the right manner as the spirit was already there.

The reason for this pep was that the pep squad had, and still has, great confidence in those Eagles.

DEBATE CLUB ORGANIZES

The debate club of Canyon High School organized Monday with an approximate membership of twenty students. The club is to be under the direction of J. D. Hazlewood, who has had much experience in debating at W. T.

The question which the club plans to begin work on is: Resolved: That some form of unemployment insurance should be adopted by the Federal Government.

Other questions will be taken up from time to time by the club as they make preparation for the final debates at the Interscholastic League meet next spring.

Members of last year's debate teams were Hosea Foster, Vincent Lockhart, Katye B. Lowe, and Elizabeth Jameson.. The girls' team took second place in this district.

Canyon High is assured of an excellent team this year and plans to carry off honors at the Inter-Scholastic League meet.

New Boiler Added To Heating Plant

Among the new improvements that have been added to the college plant this fall is a new 213 horse-power boiler. This new boiler carries a steam pressure of 180 pounds and it cost $7,500. It weighs 38,000 pounds. The contract has been given to W. H. Hayman of Amarillo, and the new boiler will be ready for use in about three weeks.

This new boiler is similar to the two that have been in use for several years. The old boilers are forced to their limit when supplying heat for the four large buildings; but now, if one should fail, warm buildings are assured.

Another long-needed improvement is the grading and graveling of parking spaces. This place has always been very muddy during wet weather, but most of the mud will be eliminated in the future.

Home Rooms Have Programs For Armistice Day

The flag was the topic for discussion at all Home Room programs, Wednesday, Nov. 4. The phases of the discussion were taken up in the following order:

The history of the American flag was discussed. The changes in the flag design and the number of stars and stripes and what they stand for was explained.

The flags under which Texas has been governed was given a great deal of attention.

The author of the National Anthem received due reverence for his contribution.

Salutes and displays of the flag were illustrated and proved to be an interesting topic.

These programs served as a timely fore runner of the Armistice Day programs.

SPANISH CLUB

The program of the Spanish club was given in the honor of Miguel de Cerrantes. All the members answered the roll call with his name.

Christine Cousins told the story of "The Windmills" written by Cervantes. Eulalee Moore read a poem, "A Espano," Mae Beth Bishop gave a talk on the adventures of Cervantes during his life. In the remaining minutes, Miss Foster played the records, "La Paloma," and "La Golondrina."

Radio is a wonderful invention but it will never take the place of listening in on party lines.

WATCH YOUR COLD

From the sounds and scenes around C. H. S. the last week, one might think we needed such a slogan as "Watch Your Cold."

In fact, this is the season for colds and flu, and is a time when everyone needs to be particularly careful of their health. In order to avoid catching cold one should stay away from the person who has a cold and who carelessly spreads germs when coughing and sneezing. Also one should take pains not to become fatigued, should not over-eat, and should stay out of poorly ventilated rooms.

Common colds are very costly. Colds caused a loss of 56 years of man-hour service within a single industrial organization over a period of four years, according to a statement by Dr. C. D. Sappington, director of the Division of Public Safety Council. A large per cent of school absences are due to common colds.

Proper medical attention should not be overlooked. A fresh cold may be checked at the outset.

Let's all get rid of these colds this week end. Watch your cold!

Today's friendly advice: "'Don't envy your neighbor and don't go on his note either.

THE WINNING TOUCHDOWN

Who Will Make It?

In football, in business, in life in general, there's always some who make the winning touchdown. We can't all make touchdowns, but we can all play the game well—just as the Buffaloes play.

You're sure to win in the building game if you use first grade building materials. That is the only kind we sell.

Cars Needed to Bring Teachers For Visit Here

The Chamber of Commerce is arranging for entertainment of the Texas State Teachers Association which meets in Amarillo on November 26-28. The proposed trip to the Palo Duro Canyon and to the college is Canyon's share in entertaining the visiting teachers.

A committee appointed by T. C. Thompson, president of the Chamber of Commerce, to confer with the Amarillo Chamber of Commerce in regard to perfecting plans for the trip to the canyon, was in Amarillo Monday in conference with Manager O. V. Vernon of the Amarillo body. A special committee meeting of all those interested in the plans will probably be held on Saturday of this week, at which time definite arrangements will be made.

Fred E. Wortham, Chamber of Commerce secretary, stated this morning that the co-operation of every citizen in Canyon will be necessary to make the trip to Canyon a success. There will be a need of every car available for the afternoon of Friday, November 27, he said. Those in the community who will volunteer the use of their cars at that time, in order that we may extend our hospitality to the visitors to the Panhandle, are urged to get in touch with the local Chamber of Commerce office.

Convention of the Church of God is Being Held Here

The sectional convention of the Assembly of God Church is being held in Canyon today and tomorrow. Services are being held at 10:00 a. m., 2:00 p. m., and 7:30 p. m. Several ministers from the Panhandle field will be present to speak. Rev. Bates of Portales, district superintendent, will conduct the services.

This congregation was established this summer and now has enrolled in Sunday School 130 pupils. A new church building has been erected in the west part of the city.

Rev. Charles H. Miller, pastor, invites all who will worship with the congregation to join them in the services during the convention.

Eagles had everything their way throughout the game except in the 3rd quarter when the Mustangs staged an attack in the air which carried the ball almost across the field and ended in a touchdown.

Thanks Citizens

Capt. H. O. Price stated this morning that the Palo Duro Post and the ex-service men wished to extend their thanks to the people of the city and the county for the wonderful success of the celebration yesterday. All of the citizens in Canyon and many in the country contributed very greatly to the wonderful success of the celebration.

Agriculture

(Continued from first page)

each year. H. B. Hales Jr., 4-H club boy recently sold 10 pigs from one litter at the age of 5 months and 24 days that weighed an average of 257 pounds each. Thus we have made progress in pork production. R. E. Pruitt came to Randall county in 1908 and has been connected with the hog business since that time. He is at present with the Tierra Blanca Farms at Canyon. This farm claims to own more prize winning hogs than any other farm in the south today. At the present time they own the heaviest show boar in the United States. This hog weighed 1125 pounds recently. We have about 1,000 head of pure bred hogs in the county at this time.

The poultry industry has grown from a very small beginning 25 years ago until today there is produced in Randall county over 30,000 eggs per day. A Randall county poultryman has hens entered in the egg laying contests of three different states at this time. We are especially proud of Randall County's dairy industry and the progress made in the last few years. The county has more pure bred Jersey and Holstein cattle in proportion to the total number of dairy cattle than any county in Texas. We also have more high producing cows in proportion to the total number than any county in the state. Randall county also has the highest producing herd of Jerseys of 30 cows or over in the south.

PRESIDENT J. A. HILL SPEAKS TO SCHOOLS

The COUNTY The COLLEGE And CANYON

CHAMBER OF COMERCE

FRED E. WORTHAM, Secretary

The Chamber of Commerce wishes to publicly express its appreciation to those individuals and firms of Canyon who aided in any manner in helping to put over the big celebration of November 3. We feel that a spirit of co-operation and interest in the Chamber of Commerce work has been aroused among the citizens of this community.

To attempt to enumerate each and every deed or bit of work contributed toward the success of the affair, would be impossible. However this organization wants it known that the work of those, who aided in any possible way is deeply appreciated. Without the united co-operating spirit that was shown this could not have been possible.

When the co-operative spirit of all the churches in Canyon, as mentioned by Prof. S. H. Condron in his address at the end of the October Sunday School campaign, is attained, not only will it be possible to put over any religious campaign but every enterprise of a civic nature will meet with less opposition, and be accomplished more easily.

The Southwestern Stockman-Farmer, the farm magazine serving this territory, in its issue to come from the press November 15, will carry a full page picture on the front cover page, showing a scene in the Palo Duro Canyon. A number of copies for free distribution will be obtainable at this office for those who want them.

The Chamber of Commerce is indebted to the Imperial Chevrolet Company and its manager, Mr. Grogan, for the contribution of the use of an automobile by the Chamber of Commerce in the parade with the American Legion on November 11.

Every person in Canyon and vicinity is urged to communicate with friends and relatives living at a distance and invite them to hear the Chamber of Commerce radio programs, each week, in which the resources of this county and city will be stressed. The broadcast will be from Station WDAG.

BILLIE BURKE TO APPEAR IN AMARILLO, NOV. 24th

Billie Burke, one of the foremost actresses of the day, former screen star and wife of Flo Ziegfeld, will appear in person in "The Vinegar Tree" at the Municipal auditorium in Amarillo on the night of Nov. 24.

Miss Burke and company are being brought to the Panhandle under the auspices of the Tri-State Fair association. Wilbur C. Hawk, president, announces the popular prices, 50 cents to $3.00, will prevail.

"The Vinegar Tree" a gay New York success, offers the popular opportunity to her marvellous talents.

Ticket reservations may be made now by mailing check to Mr. Hawk at Amarillo.

League of Nations Review Will Be Placed in Library

A copy of each monthly issue of the League of Nations Review is to be placed in the library each month through the courtesy of the International Relations Club, according to S. H. Condron, sponsor of the club.

This service is made possible by the Geneva Research Information Committee of Geneva, Switzerland, an organization affiliated with the League of Nations. Through the Carnegie Endowment Fund, from which the International Relations Club receives several books annually, this committee has given the International Relations Club a year's subscription to this publication as a part of a program intended to bring the activities of the League before the world.

The League of Nations Review contains brief summaries of what is being done in the various phases of the League's work and should be of interest to those interested in the international situation.
